Using computational modeling to predict the behavior of photovoltaic materials
Annual Nano Teacher Workshop at Penn State University

For teachers of grades 6 and up!
Tuesday, April 2, 2019
8:00 a.m. – 4:30 p.m.

• Network with University faculty and graduate students to learn about current cutting-edge research
• Tour state-of-the-art research facilities at Penn State’s Millennium Science Complex
• Work with education specialists on learning activities to incorporate into your existing curricula
• Become informed about career opportunities and pathways that are available to your students
• Discover ways in which micro- and nano-scale technology impacts our society
• Earn 8 Act 48 credit hours

Free registration – lunch is included

Workshop Location: N201/N202 Millennium Science Complex, University Park, PA

Space is limited. Register online now!
